Keith Trevolt

I was six or seven years old I came to know the Lord Jesus Christ as my Savior. Initially I came to Him out of fear. I was terrified because I knew that He would take my parents and I would be left behind. My father was so kind and tender in showing me that the Lord was not someone Who I should fear, but one Who loved me and gave Himself for me.

My wife Becky and I have three wonderful children ... two girls and a boy. Actually, we've had three girls and a boy. The Lord in His precious wisdom decided to call our second daughter home to Himself at birth. That was 38 years ago and we still miss her dearly. We are also grandparents to five wonderful grandchildren.

I have been an elder in one of the local assemblies in Wichita for over 30 years. How kind of the Lord to give wisdom when necessary for situations that only He can deal with. I love the other elders I serve with. They are humble, godly men and I thank the Lord for them. However, we're getting old. The Lord is in the process of raising up some younger men. We are so excited.

Over the years I have had the joy and privilege of being able to speak at various Bible camps. I'm not sure why He let me do it, but I thank Him every day for the opportunities that He has provided to do this for the past 35 years.

I don't know what the future may hold, but I know the "end of the story" and I am so thankful to know that I will be with Him for eternity. Whether it's by way of the rapture or through death, I know, as believers, **future glory awaits us all!**
